
Photography, Filming and Media Notice

Fashion, Luxury and Education Summit

The Fashion, Luxury and Education Summit is a professional public-facing event, bringing together industry professionals, academics, speakers, moderators, students and invited guests for a day of discussion, exchange and networking.

We very much look forward to welcoming you and hope that you will have an excellent experience. We simply wish to make you aware, in advance, of the photography, filming and media notice that applies to the event.

Photography, and limited filming where appropriate, may take place during the day, including during keynote sessions, panel discussions, interviews, networking moments and general event activity.

By accepting a ticket or guest pass, confirming your attendance, or participating in the Summit as a speaker, moderator, guest or in any other capacity, you acknowledge and accept that you may appear in photographs, video footage or other event media captured by or on behalf of Academia Cerebra.

These materials may be used respectfully and professionally by Academia Cerebra for event-related communications, including on our website, social media channels, newsletters, brochures, press materials and future Summit communications.

Where any photography, video footage or other event media captured at the Summit is used, reproduced, published or shared by speakers, guests, attendees, partner institutions, press contacts or any third party, proper credit and attribution must be given to Academia Cerebra and to the Fashion, Luxury and Education Summit. Such attribution should be included clearly in any accompanying caption, article, post, release or other public communication.

Please note that filming of the Summit proceedings by attendees or guests is not permitted, unless expressly authorised in advance by Academia Cerebra.

If you are not comfortable with these terms, please let us know before accepting your place, as we may not be able to guarantee participation in the event without appearing in event photography or filming.

We look forward to welcoming you to the Fashion, Luxury and Education Summit.
